Brief Profile

I hail from a family with a legacy of freedom fighters and proudly belong to the BC-B (Weaver) community. As a resident of Rajendra Nagar Constituency within the Chevella Parliamentary constituency in Ranga Reddy District, my roots are deeply intertwined with the rich cultural and historical fabric of our community

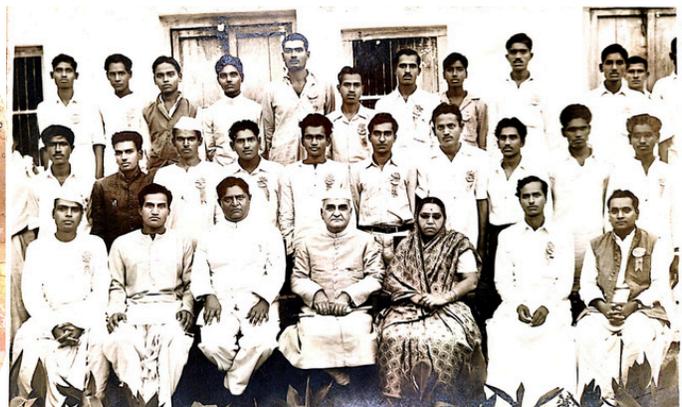

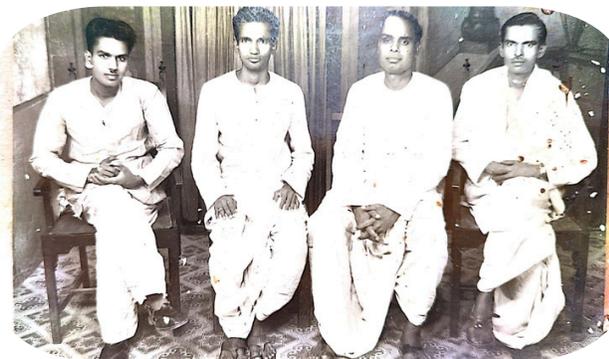

My Mother Smt P Andalu fought for the Separate Telangana Movement of 1968-69, a dedicated freedom fighter, fearlessly stood for the cause. In a pivotal moment, she was arrested at Koti Abids Police Station, and her journey through the legal proceedings at the City Civil Court unfolded amidst the charged atmosphere of the movement.

The intensity of the incident peaked with gunfire, leading to P Andalu's brother, Chippa Jagadish, sustaining a bullet injury. Subsequently, the accused, including my mother, were transferred to Nimboli Adda Women's Jail, where she remained remanded for a period of 10 days, bearing witness to the sacrifices made for the pursuit of a separate Telangana.

My grandparent Late Sri Dasu Lingaya valiantly opposed the Razakars of the Nizam, risking their lives to protect numerous individuals during the tumultuous period in the Hyderabad Kingdom. Additionally, they fervently volunteered in Netaji Subash Chandra Bose's Indian National Army, earning them the esteemed status of Freedom Fighters for their unwavering dedication to the cause of India's independence.

Permanent Invitee TPCC:

Amidst the challenging times of the COVID-19 pandemic, I recognized the imperative of social service to safeguard our community. This realization prompted me to initiate Dsanitize.com, a non-profit startup aimed at serving various institutions such as hospitals, residential colonies, temples, mosques, churches, educational institutions, party offices, and schools. Drawing inspiration from the U.S. system of fumigating COVID, I personally engaged in the implementation of effective sanitization practices, with a YouTube link attached for reference.

This altruistic endeavor extended beyond sanitization, encompassing welfare activities like the distribution of food grains, masks, and sanitizers to the underprivileged. Notably, I established a camp at Mumbai Highway where I independently funded the distribution of footwear, biscuits, and water packages to migrant workers. Despite my dedication to service, I faced the harsh reality of contracting the virus and underwent a ten-day hospitalization at City Neuro, Banjara Hills. With the grace of God, the support of well-wishers, and the blessings of my supporters, I emerged from the ordeal with few lingering post-COVID symptoms.

During this challenging period, my family bore the brunt of the pandemic, losing four members to this ruthless virus. Despite the personal losses, my resilience and commitment to serving the nation and our Congress party remain unwavering. Ready to contribute once again, I actively participated in the Bharath Jodo campaign, showcasing my determination to rebuild and uplift our society in the face of adversity.

General Elections /By Elections 2018-2020

In the 2018 elections, I actively participated in campaigning for distinguished leaders such as Sh Ponnala Laxmaiah Garu in Janagoan, Sh Ponnam Prabhakar Garu in Karimnagar, and Sh Ganesh Gupta, the TDP Alliance Candidate in Rajender Nagar. My involvement went beyond conventional methods as I engaged in door-to-door campaigns, organized local Mahila meetings, and orchestrated bike rallies to effectively connect with the electorate and convey the vision of these leaders.

Continuing my commitment to grassroots engagement, I extended my efforts to the constituency of Rajendra Nagar in Hyderabad during the By-Elections 2020 and GHMC Elections 2020. With a dedicated focus on door-to-door campaigning, I actively supported Congress Party candidates in their endeavors, contributing to the party's outreach and fostering a direct connection with the residents of the constituency. These experiences have not only strengthened my understanding of grassroots politics but have also showcased my dedication to the democratic process and the values upheld by the Congress Party.

Farmers Protest on New Bills-2020

On December 8, 2020, I fervently participated in the Bharath Bandh, advocating for the rights of farmers and urging the rollback of the anti-farmer bills imposed by the NDA Government. Standing in solidarity with the agricultural community, I joined the nationwide movement to emphasize the importance of fair policies and to express concern over the potential ramifications of the proposed legislations. It was a compelling moment of collective action, symbolizing our shared commitment to safeguarding the interests and livelihoods of the hardworking farmers who form the backbone of our nation.
